Dear Community Member,

On behalf of our organization, we are writing to ask friends, family, and the community to support our mission by becoming members of The Arc of East Ascension. If you are currently a member, we sincerely thank you for your support. Please consider renewing your membership.

If you are not currently a member, please consider joining our local supporters who understand the impact this organization has on the lives of hundreds of people in Gonzales and neighboring towns with physical, intellectual and/or developmental disabilities.

In these difficult and uncertain economic times, we need your voice of support and advocacy more than ever. We will continue to work hard to assure our programs continue to benefit individuals with disabilities who live and work in our community. Your membership will have a positive impact on legislators and funding sources also.

Just **\$20** enrolls you as a new or renewing member of The Arc of East Ascension and your dollars stay in our community to provide needed services and programs.

As a member, you play a very important role. In addition to assisting in the funding of our programs, members are needed to volunteer at The Arc of East Ascension functions, and members in good standing are able to run for a board seat and also vote for The Arc of East Ascension board of directors.

Please return the membership enrollment form today.

Thank you in advance for your commitment to your family member, friend, co-worker or neighbor who is challenged by a developmental disability.

Sincerely

The Arc of East Ascension Staff and Membership
