1. _____ Respite Center Services: Provides support to supply our respite center. Our respite program allows families of people with disabilities to receive support from the center and staff provide care as families in crisis or other situations can have a haven for their loved one to receive care.
2. _____ Adult Day Training Program (ADTP). Provides services to adults with disabilities in our day program center. This includes teaching life skills that will help support development of independence. This program provides activities and access to places in the community with supervision. This program's main goal is to increase socialization, advocacy, inclusive, skill development and independence.
3. _____ Arc of East Ascension Rising Start Summer Camp. This program is in the summer and services children with disabilities during the summer month. The camp includes programming activities in the community and the necessary additional support that people with disabilities may need to navigate inclusively in their community. The program 8 weeks long.
